nationwide template to enable Federal State tribal and local governments nongovernmental organizations NGOs and the
private sector to work together to prevent protect against respond to recover from and mitigate the effects of incidents
regardless of cause size location or complexity NIMS represents a core set of doctrines concepts principles terminology and
organizational processes that enables effective efficient and collaborative incident management This consistency provides the
foundation for utilization of NIMS for all incidents ranging from daily occurrences to incidents requiring a coordinated
Federal response Homeland Security Presidential Directive 5 HSPD 5 Management of Domestic Incidents directed the
development and administration of NIMS The NIMS documents integrate best practices into a comprehensive framework for
use by emergency management and response personnel in an all hazards context nationwide HSPD 5 requires all Federal
departments and agencies to adopt NIMS and to use it in their individual incident management programs and activities as
well as in support of all actions taken to assist State local and tribal governments State local and tribal governments are not
required to participate in NIMS or adopt these best practices As applied to non Federal entities NIMS documents contain
