

## Laboratory Activity #1 — Student Laboratory Packet

**Relationships and Biodiversity***A Laboratory Activity for the Living Environment***Introduction**

*Botana curus* is a valuable plant because it produces Curol, a compound used for treating certain kinds of cancer. Curol cannot be produced in the laboratory. *Botana curus* grows very slowly and is on the endangered species list, so its ability to provide Curol in large quantities is limited.

Species that are more closely related to *Botana curus* are more likely to produce the important substance Curol. Three similar plant species that are plentiful (X, Y, and Z) may be related to *Botana curus*. You will work as a researcher to:

- gather structural and molecular evidence to determine which plant species is most closely related to the hypothetical species, *Botana curus*
- use this evidence to decide which plant species is most likely to serve as a source of the important substance Curol

**Safety**

- You will need to wear goggles while conducting Tests 4 and 5.
- Do not eat or drink anything in the laboratory while doing this laboratory activity.

*Important Note: Record all of your data and answers on these laboratory sheets. You will need to keep them for review before the Regents Examination. Later, you will need to transfer your answers to a separate Student Answer Packet. Your teacher will use the packet in grading your work, and the school will retain it as evidence of your completion of the laboratory requirement for the Living Environment Regents Examination.*

**Structural Evidence for Relationships**

Perform the following tests and record your observations in Table 1 on page 8 of this packet. Use a hand lens or microscope as needed.

*Test 1—Structural Characteristics of Plants*

- a. Do not remove the plant samples from the plastic bags/cards.
- b. Compare the structural characteristics of the plant samples. Record your observations in Table 1 (see page 8).

*Test 2—Structural Characteristics of Seeds*

- a. Do not remove the seed samples from the plastic bags/cards.
- b. Compare the structural characteristics of the seed samples. Record your observations in Table 1.

"Relationships and Biodiversity" is a laboratory activity produced by the State Education Department for use in fulfilling part of the laboratory requirement for the Regents Examination in Living Environment. Reproducing any part of this laboratory activity by other than New York State school personnel is illegal.

### **Laboratory Activity Relationships And Biodiversity Introduction**

Laboratory Activity Relationships And Biodiversity Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Laboratory Activity Relationships And Biodiversity Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Laboratory Activity Relationships And Biodiversity : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Laboratory Activity Relationships And Biodiversity : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Laboratory Activity Relationships And Biodiversity Offers a diverse range of free eBooks across various genres. Laboratory Activity Relationships And Biodiversity Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Laboratory Activity Relationships And Biodiversity Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Laboratory Activity Relationships And Biodiversity, especially related to Laboratory Activity Relationships And Biodiversity, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Laboratory Activity Relationships And Biodiversity, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Laboratory Activity Relationships And Biodiversity books or magazines might include. Look for these in online stores or libraries. Remember that while Laboratory Activity Relationships And Biodiversity, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Laboratory Activity Relationships And Biodiversity eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Laboratory Activity Relationships And Biodiversity full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Laboratory Activity Relationships And Biodiversity eBooks, including some popular titles.

### FAQs About Laboratory Activity Relationships And Biodiversity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Laboratory Activity Relationships And Biodiversity is one of the best book in our library for free trial. We provide copy of Laboratory Activity Relationships And Biodiversity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Laboratory Activity Relationships And Biodiversity. Where to download Laboratory Activity Relationships And Biodiversity online for free? Are you looking for Laboratory Activity Relationships And Biodiversity PDF? This is definitely going to save you time and cash in something you should think about.
