

Thank you for considering Netcare Education Faculty of Nursing and Ancillary Healthcare (NETCARE) as your Private Higher Education Institution for nursing studies!

Netcare Education (NETCARE) admission and selection criteria have been established on the premise of alignment to regulatory requirements, the Netcare and Netcare Education's strategic objectives as well as the South African National strategy and directives on nursing and education.

In the context of South Africa where education is seen as one of the foundational mechanisms to support and drive transformation in our society, Netcare Education's admission and selection criteria provide various opportunities to individual applicants that simplify access

to high quality education and training in the private nursing education and healthcare environment.

The selection criteria aim to admit candidates for registration as full time nursing students for nursing programmes in the various accredited and registered programmes, who will be able to learn, develop and grow into healthcare professionals that can deliver high quality patient care, with the necessary support, supervision, and guidance.

Netcare Education's efforts will be on the provision of academic and clinically competent, caring, compassionate, professional general and auxiliary nurses who can maintain a high standard and quality of nursing practice and who will function effectively and ethically as an important stakeholder in the greater healthcare community of South Africa and the world at large.
