The Rough Guide, 1991 *Car Boot Tales* Paul J. Rose, 2018-10 If you've ever wondered what goes through the mind of a car boot stall holder then there are two things you need to do 1 Read this book 2 Get yourself some new hobbies If you're thinking about setting up your very first car boot stall then this book will be an excellent guide for you If you've done one before then the characters you'll meet in here will be all too familiar to you Whilst it would be all too easy to present this book as some sort of manual its primary purpose is to make you wonder why anyone in their right mind would ever choose to sell at a car boot sale The hours are unsociable the weather unpredictable and the profits are non-existent But do it right and they'll be the most hilarious and fun way to spend a morning Paul J Rose took his assorted treasures to a selection of car boot sales close to his home His mission was a simple one to clear out his house However as time went on something much more interesting happened the exchanges that took place between buyer and seller became more and more ridiculous Eventually the desire to get rid of stuff took second place to the gathering of stories People's attempts at negotiation were frankly laughable and it became clear that there was a pattern and if that pattern could be recognised then every car boot sale would be a joy If you're looking for a guide on how to make the most money at a car boot sale then you won't find it here This is a light-hearted look at the people that choose to spend their early mornings in a field looking to purchase other people's junk Well light-hearted would be one way to put it rant on the part of a middle-aged malcontent might be another For the entrepreneur your guide to making millions awaits you in some other book In here we cling to a simple mantra These people are paying me to clean my house What you do need

to know is that every exchange that takes place in this book genuinely happened The internal monologue of the seller will certainly have been enhanced for comedic purposes but however unbelievable these stories get please know that they are all completely true So if you re looking for an easy read that hopes to bring you some laughs then Car Boot Tales is definitely the book for you Enjoy it on the train Read it on the bus Fill pointless moments in the toilet Seriously how is any of this a big deal It s a book if you don t know the portable nature of books by now then there s really very little hope for you
