Drugs and Society Hanson,Peter J. Venturelli,Annette E. Fleckenstein,2017-01-26 Updated to keep pace with the latest data and statistics Drugs and Society Thirteenth Edition contains the most current information available concerning drug use and abuse Written in an objective and user friendly manner this best selling text continues to captivate students by taking a

multidisciplinary approach to the impact of drug use and abuse on the lives of average individuals *Mysticism and the Margins* David M. Odom, 2025-10-29 Centering African Diasporic traditions the margins of mainstream mystical traditions and the intersection between mysticism and psychedelics the essays in this volume offer several diverse and unique contemporary approaches to the study of mysticism In a time when the word mystic or mysticism appears as often in popular and even scientific settings as it does in academic or religious discourse a critical study of these terms and traditions becomes ever more relevant This volume challenges normative notions of who counts as a mystic and questions the definitions and interpretive frames underlying the field of comparative mysticism itself This is an important text for students and scholars of comparative mysticism and those interested in what traditions texts communities rituals persons and practices have been marginalized in the development of what counts as mysticism today *Psychedelic Review*, 1963
