

The background of the cover is black, featuring a complex, glowing biological structure in shades of yellow, orange, and red. This structure consists of numerous interconnected, rounded, translucent-looking cells or spores, some of which are larger and more prominent than others. The overall appearance is reminiscent of a microscopic organism, possibly a fungus or a complex bacterial colony, with a central branching structure that radiates outwards. The lighting is dramatic, highlighting the internal details of the cells and creating a sense of depth and movement.
