

If you run out of space

4

If you run out of space in your answer booklet, ask the invigilator for a new booklet and complete your present booklet and name on the front page. If you are continuing with an answer that you started in your first booklet, write the question number again in the new booklet before continuing with your answer.

If you need to go back and write more for any of your answers at any stage, go to the end of the last answer that you wrote in your answer booklet, to the next available space, fill in the question number again and then continue your answer.

Things important to know

- ✓ Write your candidate answer number.
- ✓ Read the 10-point contact of the examination centre in confidence. If you have any questions about what it says, contact the examination centre.
- ✓ Take only authorised material into the examination room. If you are found in possession of unauthorised material (for example, notes, a mobile/flip phone) you may be mistaken for a candidate who has breached the Regulations.
- ✓ Write in blue or black ink only, and use soft pencil for graphs and diagrams. The use of colour is only permitted in geography examinations.
- ✓ Don't show through any plan or working out that you do not want marked.
- ✓ At the end of the examination, place the books marked below together together in the following sequence:
 - the blue cover sheet at the front
 - the examination paper that says if this is the final of examination paper in which you write answers
 - the answer booklet(s)
 - unused paper (unless it shows any answer to a question)
 - graph paper
