Subject: Need for people's movement for a Clean Ganga

Dear Editor

I am Ravi G, a member of the NGO. I am writing to you in order to highlight the deteriorating condition of river Ganga.

The City of Varanasi is getting contaminated water from the river Ganga. The residents are to be blamed for this. They pollute the river with garbage, sewage, and filth. The river water is full of bacteria, plastic, chemicals, and other waste materials. It is unfit for consumption.

The people have been demanding a Water Treatment Plant. The authorities have not yet responded to the repeated requests.

I request you to highlight the problem in your newspaper and arouse public interest. We all need to get together in order to get the plant set up in the area.

**Thank You
Yours sincerely**

**Ravi G
