The Better Boat Brad Degraw, 2025-07 What do you do when your house burns down literally and your financial future goes up in smoke You build a better boat Brad and Emma DeGraw know a thing or two about starting over After losing everything from a rental house fire to hurricane disasters to a devastating trading loss they did what most people wouldn't they rebuilt smarter This isn't another real estate success book full of theory It's a boots on the ground emotionally honest and surprisingly entertaining guide to how two ordinary people created an extraordinary lending business one deal one mistake one breakthrough at a time Inside you'll discover How to build consistent income through private lending without Wall Street headaches Hard won lessons from 120 real estate loans including defaults disasters and surprising recoveries Why Emma's ruthless underwriting veto power became their secret weapon Real stories of borrowers investors and the system breakthroughs that changed everything A framework for building wealth based on alignment not aggression Whether you're rebuilding after a setback looking to create tax advantaged income or navigating business as a couple The Better Boat gives you practical insights with emotional depth It's for anyone who wants a resilient path to financial freedom with transparency humor and heart

Real Estate Record and Builders' Guide, 1889 **In the Adirondacks** Matt Dallos, 2023-03-28 An immersive journey into the past present and future of a region many consider the Northeast's wilderness backyard Out of all the rural areas of the United States including those in the West which are bigger and propped up by more pervasive myths about adventure and nation and wilderness and freedom the Adirondacks has accumulated a well known identity beyond its boundaries Untouched unspoiled it is defined by what we haven't done to it Combining author Matt Dallos's personal observations with his thorough research of primary and secondary documents In the Adirondacks rambles through the region to understand its significance within American culture and what lessons it might offer us for how we think about the environment In vivid prose Dallos digs through the region's past and present to excavate a series of compelling stories and places a moose named Harold a hot dog mogul's rustic mansion an ecological restoration on an alpine summit a hermit who demanded a helicopter ride and a millionaire who dressed up as a Native American to rob a stagecoach Along the way Dallos listens to locals and tourists visits wilderness areas and souvenir shops and digs through archives in museums and libraries In the Adirondacks blends lively history and immersive travel writing to explore the Adirondacks that captivated Dallos's childhood imagination while presenting a compelling and entertaining story about America's largest park outside of Alaska The result is an inquisitive journey through the region's bogs and lakes and boreal forests and the lives of residents and tourists Dallos turned toward the region to understand why he couldn't shake it from his mind What he learned is that he's not the only one In the Adirondacks explores the history and future of the most complicated contested park in North America raising important questions about the role of environmental preservation and the great outdoors in American history and culture
