

1. Your principal feels that Form Five students should get away from the classroom more often. He has decided that there should be a special day of activities outside the school every month. He has stressed that these activities should be educational – for example, visits to museums, farms, places of historical interest, etc.

You have been asked to make a proposal outlining what sorts of activities might take place and how these could be organized.

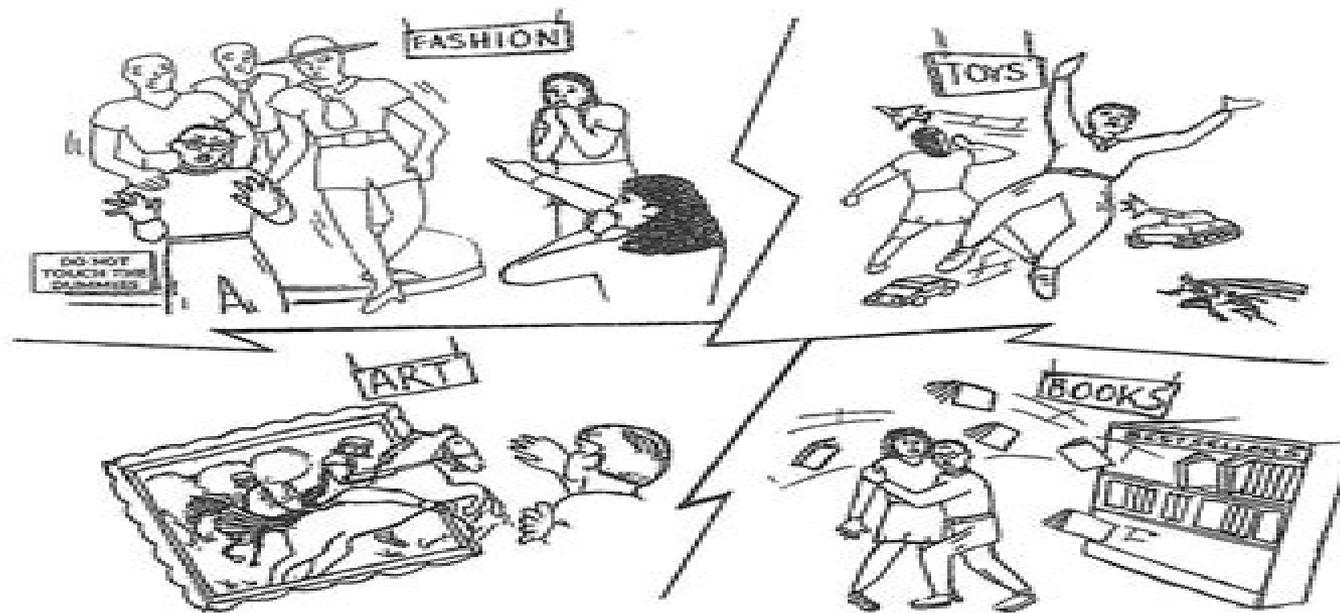

Write your proposal.

2. Your friend Pat is studying overseas but plans to return to Hong Kong during the holidays to look for a summer job. However, Pat is not sure how to find a suitable one, so has just sent you a letter asking you for help. Write a letter in response, telling Pat about what types of jobs are suitable, how to get them, and which ones should be avoided.

Sign your response Chris. You must NOT write any address.

3. One evening, for a joke, you and your friends decided to hide inside a large department store and stay there overnight. You waited until the doors were locked and came out of your hiding place when there was no one around.

The pictures below show some of the strange things that happened in the store during the night. Describe your adventures.
