

50 Useful Tips for Speaking English Fluently

13 Accept English and all its uniqueness

English has some strange rules, accept them and move on.

14 Try learning some new words every day

Every day, learn at least one new word and how to pronounce it to improve your vocabulary and speaking skills.

15 Try some public speaking

Public speaking events can really test how good your speaking skills have gotten, so, give them a try whenever you can.

16 Let English be all around you

When you spend your time in places where English is spoken, your speaking skills will naturally improve. Look out places where English speakers gather.

17 Become part of a conversation group

This should increase your exposure to spoken English and help you have better speaking skills.

18 Read your favorite books aloud

Reading aloud will improve your confidence and enhance your flow when speaking in other situations.

19 Watch videos of popular songs online

Watch music videos, especially if they have the lyrics underneath by searching for the title of a song you like, plus the word "lyrics."

20 Try thinking in English

When you start naming things and deliberating in English, you will notice an improvement in your speaking skills as well.

21 Practice paraphrasing

Trying to say things you hear can significantly improve your speaking skills.

22 Conduct small talk in English

Whenever you have the chance, choose to carry on small talk in English. It will boost your speaking skills.

23 Try creating your own responses, rather than repeating what people say

When you can come up with ways to answer in English on your own, your speaking fluency can increase considerably.

24 Have confidence whenever you speak

Even though you have a lot to learn, always speak with confidence as this will improve the rate at which you master the language.
