

Flower Bud Village

The main town has shops, people and gathering places such as the town square and the inn. You'll buy things here, meet people and join in community activities. Something new is always going on in town, so visit often.

A Town Square

Many of the annual activities and festivals take place in the square. Just take the steps at the end of the main street to reach this area.

B The Inn

The local watering hole is the place where many of your neighbors gather in the evenings, though not on Sunday. Here you can hear a tale or buy a glass of rejuvenation. Be forewarned that the menu is pricey and not worth the gold unless your character is overly tired.

C Church

The local church also doubles as the school. Here you can talk to the students, who all seem to be the children of the Potion Shop owner—one of the most important people in town.

D Lilia's Flower Shop

Visit Lilia's to buy seeds for crops and flowers. The inventory changes according to the season, so you'll find potatoes and turnips in the spring and corn and tomatoes in the summer. You'll also find grass seed at Lilia's, which is a must for providing animal fodder.

E Rick's Tool Shop & Craft Store

Visit Rick's from time to time to see if new items have come in. You can buy the cow brush here and other useful or curious products like an Occanna. The shop isn't open on Sundays.

F Bakery

The town bakery is filled with delicious treats such as cake, but these delectable items will cost you a pretty penny. If you munch on these sweets, you'll increase your energy level. The shop girl will be particularly pleased if you sample the baked goods.

G Mayor's House

You can drop by the mayor's home and talk to people, including his wife and his daughter, Maria, who also works in the library.

H Library

The library may be filled with interesting books on many subjects, but the only subject worthy of your attention is Maria, the receptionist. She'll be very pleased if you stop by, look at the books and talk to her. Pleasing prospective mates is one of the more subtle aspects of the game.

I The Midwife

Later in the game, after you're happily married, you may need the services of the midwife when it comes time to have a baby. Visit her here to retain her services for the happy event.

J Potion Shop

Visit the Potion Shop for medicine when your animals get sick. You can help the owner by bringing him medicinal herbs that you may find in the woods. If you get tired from working too long, you might even need medicine for yourself.
