*Haunted Liverpool 9* Tom Slemen,2017-04-08 In

Haunted Liverpool 9 master storyteller Tom Slemen has once again put together a unique collection of weird and wonderful tales which will delight his ever growing readership Interweaving paranormal events from the past with those from the present day he has produced a book which will thrill from beginning to end Amongst the more memorable characters in the book are John the hippy an ominous individual who brings down a reign of death and destruction on his tormentors creepy Victorian devil worshipper Henry Juvenal who has a decidedly unhealthy relationship with large fires and small children middle aged James Thorpe and his beautiful young fiancée who become embroiled in a love triangle which has ghastly consequences and Madame Rosamund the fortune teller who predicts a very sticky end for her young female client Elizabeth This edition includes the long lost story Double Dutch about a strange doppelganger case in Seventies Liverpool *Haunted Liverpool 10* Tom Slemen,2017-11-24 This is the fifteenth book to be written by Tom Slemen and the tenth in the Haunted Liverpool series and it bears all the hallmarks of the master storyteller's work alongside a classic mix of murder mystery and suspense you will find local tales of the supernatural unexplained mysteries and the downright weird and grotesque From the shocking cases of the demonic ship's captain who slaughtered most of his crew and the headless nun who reduces a grown man to jelly to the crazed parrot whose mimicry exposes an adulteress and the girl in the red dress who is a harbinger of doom these stories like all his others will make the hair stand up on the back of your neck The English Civil War Charles J Esdaile,2024-08-30 Cavaliers and Roundheads are figures who appear in hundreds of English ghost stories In this innovative account Charles Esdaile argues that such tales are in reality folk memories of an episode of English history that was second only to the Black Death in terms of individual and collective suffering alike and further that they reveal important truths about the way in which the conflict was represented it is no surprise then to find that spectral Cavaliers are often romantic figures and revenant Roundheads grim ones full of menace Yet the book is no mere catalogue On the contrary rather than being discussed in a vacuum the tales of haunting are rather set within a detailed regional history of the conflicts of 1642 1651 of a sort that has never yet been attempted but is for all that badly needed *Ramsey Campbell* Gary William Crawford,2013-12-05 As the author of more than two dozen novels and hundreds of short stories as well as essays reviews and columns Ramsey Campbell is one of the most prolific writers in the field of horror literature The consistently high level of quality in his work has resulted in every major award that weird fiction has to offer including the Grand Master Award of the World Horror Convention the Lifetime Achievement Award of the Horror Writers Association and the Living Legend Award of the International Horror Guild Strangely though relatively little criticism has been written about Campbell In Ramsey Campbell Critical Essays on the Modern Master of Horror Gary William Crawford has assembled a collection of articles that examine the work of one of weird fiction's most revered writers These essays look at a number of elements that characterize Campbell's stories and novels including comparisons to H P Lovecraft who was an early inspiration Campbell's modern variations of Gothic fiction his concept of evil religious subtext in his fiction and how adversities Campbell has faced have

shaped his life and his work In all these essays pay homage to Campbell s painstaking craftsmanship and show that there is much to be mined in his fiction Because Campbell is so important in the genre of horror literature this book serves as a much needed affirmation of his work It will be of interest to scholars of supernatural fiction in general but also to devoted fans of this major figure in weird fiction
