

Feathers Body Biography

For your chosen character, your group will be creating a body biography – a visual and written portrait illustrating several aspects of the character's life within the novel. After completing this portrait, your group will participate in a presentation class. This presentation should accomplish the following objectives:

- Review significant events, choices, and changes involving your character
- Communicate the full essence of your character by emphasizing the traits that make her/him who he/she is
- Promote discussion of your character

Depending on the character in question, your body biography may contain:

- A review of significant events in the novel
- Visual symbols
- An original text
- Some of your character's important statements or other quotations from the novel

Body Biography Suggestions

1. **Placement** – Carefully choose the placement of your text and artwork. For example, the area where your character's heart would be might be appropriate for illustrating the important relationships within his or her life.
2. **Spine** – Action often drives a character's spine. What is the most important goal for your character? What drives his/her thoughts and actions? This is his/her spine. How can you illustrate it?
3. **Virtues and Vices** – What are your character's most admirable qualities? What are his/her worst qualities? How can you make us visualize them?
4. **Color** – Colors are often symbols. What color(s) do you most associate with your character? Why? How can you effectively work these colors into your presentation?
5. **Symbols** – What objects can you associate with your character that illustrates his/her essence? Are these objects mentioned within the novel itself that you could use? If not, choose objects that especially seem to correspond with the character.
6. **Recipes** – There are fast, but effective, recipes for producing a text because they are designed to reveal a lot about a character.
7. **Mirror, Mirror** – Consider both how your character appears to others on the surface and what you know about the character's inner self. Do these images clash or correspond? What does this tell you about the character?
8. **Changes** – How has your character changed within the novel? Trace these changes within your text and/or artwork.
