Everyday Utopia Kristen R. Ghodsee,2023-05-16 A fascinating The Wall Street Journal spirited and inspiring Jacobin tour through the ages in search of the thinkers and communities that have dared to reimagine how we might better live our daily lives In the 6th century BCE the Greek philosopher Pythagoras a man remembered today more for his theorem about right angled triangles than for his progressive politics founded a commune in a seaside village in what's now southern Italy The men and women there shared their property lived as equals and dedicated themselves to the study of mathematics and the mysteries of the universe Ever since humans have been dreaming up better ways to organize how we live together pool our resources raise our children and determine who's part of our families Some of these experiments burned brightly for only a brief while but others carry on today from the Danish cohousing communities that share chores and deepen neighborly bonds to matriarchal Colombian ecovillages where residents grow their own food and from Connecticut where new laws make it easier for extra alloparents to help raise children not their own to China where planned microdistricts ensure everything a busy household might need is nearby One of those startlingly rare books that upends what you think is possible *Everyday Utopia* provides a powerful reminder that dreaming of better worlds is not just some fantastical project but also a political one Rebecca Traister New York Times bestselling author of *Good and Mad* This must read Thomas Piketty New York Times bestselling author of *A Brief History of Equality* offers a radically hopeful vision for how to build more contented and connected societies alongside a practical guide to what we all can do in the meantime to live the good life each and every day

Utopia ,2003-08-19 *The Heath Introduction to Literature* Alice S. Landy,1996 At about half the length and a much lower price than comparable anthologies this introductory anthology of short fiction poetry and drama is organized by genre and features chapter introductions and a bibliography of film adaptations Readings have been chosen with an eye toward

classic selections and gender balance while allowing the book to retain the teachability and traditional emphases for which it has long been admired
