Fall Hard JI Merrow:

Hard Tail J. L. Merrow, 2013 Finding love can be a bumpy ride His job downsized out of existence His marriage dead in the water It doesn't take a lot of arm twisting for Tim Knight to agree to get out of London and take over his injured brother's mountain bike shop for a while A few weeks in Southampton is a welcome break from the wreck his life has become even though he feels like a fish out of water in this brave new world of outdoor sports and unfamiliar technical jargon The young man who falls literally through the door of the shop brings everything into sharp unexpected focus Tim barely accepts he's even in the closet until his attraction to Matt Berridge pulls him close enough to touch the doorknob There's only one problem with the loveable klutz his bullying boyfriend Tim is convinced Steve is the cause of the bruises that Matt blows off as part of his risky sport But rising to the defense of the man he's beginning to love means coming to terms with who he is in public in a battle not even his black belt prepared him to fight Until now Warning Contains an out and proud klutz a closeted karate loving accountant and a cat who thinks it's all about him Watch for a cameo appearance from the Pricks and Pragmatism lovers May inspire yearnings for fresh air exercise and a fit tanned bike mechanic of your very own **Out!** JL Merrow, 2017-06-26 When love wars with principle which one will win Mark Nugent has spent his life in the closet at least the small portion of it he hasn't spent in the office Determined to make amends to his neglected teenage daughter from a failed marriage Mark swears off work and love so he can give her a stable home environment But Mark's resolve to keep his heart under wraps is tested when he meets an out and proud young man he's instantly drawn to Patrick Owen is a charity worker with strong principles He doesn't trust easily but he's blown away by his attraction for the older man who's so new to his own sexuality Yet Mark is adamant he's not coming out to his daughter and Patrick refuses to live a lie What with Mark's old fashioned attitudes and his flirtatious ex colleague who's determined to come between them Patrick begins to wonder if they'll ever be on the same page And when Mark's career as a tax advisor clashes with Patrick's social conscience sparks really start to fly in all the wrong ways NOTE This is a revised second edition originally published in 2016 **Played!** JL Merrow, 2017-06-12 All the world's a stage but life doesn't come with a script Posh boy Tristan Goldsmith has one last summer of freedom before he joins the family firm in New York no more farting around on stage as his father puts it But the classically trained actor can't resist when the Shamwell Amateur Dramatics Society begs him to take a leading role in their production of *A Midsummer Night's Dream* As an added incentive he'll be giving private acting lessons to a gorgeous local handyman who's been curiously resistant to Tristan's advances As a late diagnosed dyslexic still struggling with literacy Con Izzard's never dared to act before With arrogant yet charming Tristan helping him with his lines he finally has his chance to shine But Con's determined not to start a romance with a man he's convinced only wants a casual fling Tristan's never been one to back down from a challenge especially when he realises his attraction to the tall muscular handyman isn't just physical Just as he thinks he's finally won Con's heart and given his own in return disaster strikes with a slip of the tongue that

shatters Con's trust and sends him running for cover This show may be over before the curtain's even opened **Lock Nut**
JL Merrow,2018-05-14 Still waters run deadly Tom Paretski plumber with a talent for finding hidden things and his private investigator fianc Phil Morrison have been hired to locate a runaway husband Jonathan Parrot The job seems simple enough until their quarry turns up dead in a canal and a photofit of Tom's face is splashed all over the news making him chief suspect The widow petite ex porn star Lilah Lovett is convinced her husband was killed by his gay lover but Tom and Phil aren't so sure Worried they may have precipitated Jonathan's death they're determined to find the real killer But with a web of incestuous ties linking the suspects it's hard to know who to trust Especially when a second victim dies a gruesome death Meanwhile with their wedding looming and them sharing a house now Tom's worried it may all be too much too fast The last thing he needs are the mixed messages Phil seems to be sending out They'll need to get back on the same track if they want to make it to their honeymoon together and alive See this title's page on RiptidePublishing.com for content warnings

Permanently Legless JL Merrow,2016-06-04 Only half the man he used to be but maybe that's enough The Taliban may have taken both Chris's legs but he came back from Afghanistan with his sense of humour and his lust for life firmly intact The one thing that can shake his confidence is meeting Josh the one night stand from before his tour of duty he hasn't been able to forget It turns out Josh hasn't forgotten Chris either He spent the time they were apart fearing the worst every time a soldier was reported killed in action and wishing Chris would use the number Josh gave him and call Josh's delight on seeing Chris again quickly turns to shock on seeing his injuries With Chris such a changed man can they still have a future *Fall*

Hard J. L. Merrow,2014-09-02 Some memories are better off lost in the mist Eight months ago British academic Paul Ansell lost his lover and all the memories of their time together in an accident at Iceland's Gullfoss Falls Returning to the misty island country to resume his study of the bloodthirsty Viking Egil Skallagrimsson is tough as he struggles to pull his life back together First there's his colleague Mags who treats him like glass and summer student Alex who peppers him with discomfoting questions Then there's Icelandic jet boat driver Viggo a tattooed modern day Viking who won't say much about how they know each other Leaving Paul to wonder if their volcanic attraction is fuelled by a desire to make a fresh start or desperation to forget the past As more fragments of his lost memories fall into place Paul is unsure if he can trust himself much less anyone around him And he begins to suspect his accident was nothing of the kind Warning Contains a modern day Viking whose boat has V8 engines for oars and a harsh land of hot springs and hotter passions that won't forgive any false steps **Official Gazette of the United States Patent Office** USA Patent Office,1915 **Official Gazette of the**
