

Microcontroller Based Closed Loop Automatic Irrigation System

Neelam R. Prakash, Dillip Kumar, Tejender Sheoran

Abstract— In last few decades, electronics and communication have become an integral part of our lives, always expanding into new realms, to provide ways to do things in precise manner. With the recent developments in wireless networks especially regarding power requirements and cost, it has become possible to conceive a comprehensive model for precision agriculture. In this paper we present a closed loop automatic irrigation system along with the temperature and water usage monitoring. The system can be used in greenhouses as well as open fields. The real time values of soil moisture, temperature (useful in greenhouse cultivation) are wirelessly transmitted using Zigbee technology from field to substation which controls the state of the motor and irrigation valves according to the desired moisture levels set by the user. A flow sensor is also interfaced to the main water supply which continuously tracks the water applied to the field. All the information viz. temperature, current soil moisture level in field, upper and lower moisture levels to be maintained in field (set by user), motor status, water usage and flow rate are displayed on LCD.

Index Terms— Automatic irrigation, Zigbee, closed loop, Wireless, Precision agriculture.

I. INTRODUCTION

India is an agriculture based economy. Most of the people depend on agriculture for their livings. But the per capita income of most of the Indian farmers is very low due to which lots of the farmers commit suicide. It is necessary to avoid the unnecessary or excess application of water, fertilizers etc. in the field so as to make farming more profitable which in turn will help India grow more rapidly and that too from grass root level. This paper aims to present a closed loop irrigation system which periodically monitor and control the various parameters of farming such as soil moisture, temperature, water flow etc., so as to optimize the application of various resources such as water, fertilizers etc. for maximum production. The system presented here makes the irrigation automatic with the use of low cost sensors and the simple circuitry, thereby making it a low cost product, which can be bought even by a poor farmer. The soil moisture level is one of the critical parameters of agriculture, which controls the quality of the crops grown in any type of field. The system monitors soil moisture and perform automatic irrigation

management. Besides automatic irrigation the system also monitors temperature of greenhouse and water usage in irrigation. The system can be divided into two main blocks:

- 1) Sensor Module
- 2) Substation

The substation and sensor module communicate to each other via wireless Zigbee network as shown in Figure1.

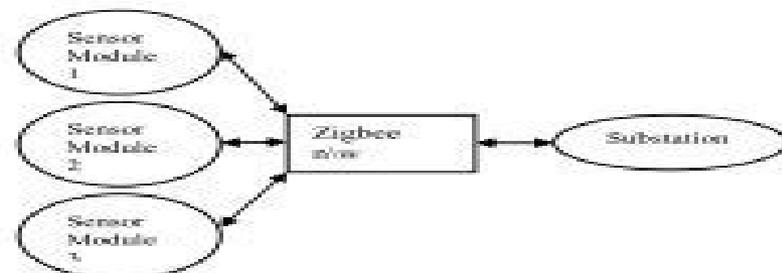

Figure1: Block Diagram of System

II. RELATED WORK

In [1] limitations of the conventional PLC based irrigation control systems is discussed and a new approach to automate the irrigation is presented. This system uses a Single Board Computer (SBC) using the Linux operating system to control solenoids connected to individual or groups of nozzles based on prescribed application maps. The main control box houses the SBC connected to a sensor network radio, a GPS (Global Positioning System) unit, and an Ethernet radio creating a wireless connection to a remote server. A C-software control program control the overall working of system. A wireless drip irrigation system using soil moisture sensors is presented in [2]. This paper describes an application of a wireless sensor network for low-cost wireless controlled irrigation solution and real time monitoring of water content of soil. Data acquisition is performed by using solar powered wireless acquisition stations for the purpose of control of valves for irrigation. The designed system has 3 units namely: base station unit (BSU), valve unit (VU) and sensor unit (SU). The system is energy efficient. Various technologies used for soil moisture sensors are discussed and compared and required characteristics of the soil moisture sensors are also discussed in [3]. Precision water-saving irrigation automatic control system by plant physiology is discussed in [4]. This project is one of the Olympic Games

Microcontroller Based Closed Loop Automatic Irrigation System:

Unveiling the Power of Verbal Art: An Psychological Sojourn through **Microcontroller Based Closed Loop Automatic Irrigation System**

In a global inundated with screens and the cacophony of immediate interaction, the profound energy and emotional resonance of verbal beauty usually diminish into obscurity, eclipsed by the regular onslaught of noise and distractions. However, located within the lyrical pages of **Microcontroller Based Closed Loop Automatic Irrigation System**, a interesting work of fictional splendor that pulses with fresh thoughts, lies an unforgettable journey waiting to be embarked upon. Published with a virtuoso wordsmith, that exciting opus manuals viewers on an emotional odyssey, lightly exposing the latent potential and profound influence embedded within the elaborate internet of language. Within the heart-wrenching expanse of the evocative examination, we shall embark upon an introspective exploration of the book is main styles, dissect their charming writing style, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.

Microcontroller Based Closed Loop Automatic Irrigation System Introduction

Microcontroller Based Closed Loop Automatic Irrigation System Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Microcontroller Based Closed Loop Automatic Irrigation System Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Microcontroller Based Closed Loop Automatic Irrigation System : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Microcontroller Based Closed Loop Automatic Irrigation System : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Microcontroller Based Closed Loop Automatic Irrigation System Offers a diverse range of free eBooks across various genres. Microcontroller Based Closed Loop Automatic Irrigation System Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Microcontroller Based Closed Loop Automatic Irrigation System Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Microcontroller Based Closed Loop Automatic Irrigation System, especially related to Microcontroller Based Closed Loop Automatic Irrigation System, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Microcontroller Based Closed Loop Automatic Irrigation System, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Microcontroller Based Closed Loop Automatic Irrigation System books or magazines might include. Look for these in online stores or libraries. Remember that while Microcontroller Based Closed Loop Automatic Irrigation System, sharing copyrighted material without permission is

Microcontroller Based Closed Loop Automatic Irrigation System

not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Microcontroller Based Closed Loop Automatic Irrigation System eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Microcontroller Based Closed Loop Automatic Irrigation System full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Microcontroller Based Closed Loop Automatic Irrigation System eBooks, including some popular titles.

FAQs About Microcontroller Based Closed Loop Automatic Irrigation System Books

1. Where can I buy Microcontroller Based Closed Loop Automatic Irrigation System books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Microcontroller Based Closed Loop Automatic Irrigation System book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Microcontroller Based Closed Loop Automatic Irrigation System books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

Microcontroller Based Closed Loop Automatic Irrigation System

7. What are Microcontroller Based Closed Loop Automatic Irrigation System audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Microcontroller Based Closed Loop Automatic Irrigation System books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
