Finding The Lost Weekend:

Finding the Lost UNIVERSAL PRINCIPLES Universal Principles Patricia Pillard McCulley, 2010 Do you ever have questions about life such as why doesn't it seem to make sense Or have you ever wondered why things happen as they do Do you ever ask what is life really about Perhaps life is like a game but we don't know the rules and we don't know how to win What if we are all playing the same game of life but on different levels Is the game we play competing with others or only with ourselves Is life to be considered as play rather than the heavy drama it seems sometimes What are the rules and how do we discover them Universal Principles and Spiritual Truths answer these questions They always were and forever will be They are unchangeable and a solid foundation on which to build your life Why The Three Little Pigs You'll have to read the book to discover the secrets they unlock that have been lost for over 100 years [Last Chance at the Lost and Found](#) Marcia Finical, 2011-02-01 A compelling story of love both lost and found [Finding the Lost Weekend](#) Paul McGill, 2008-03-01

The Lost and Found Collection C.B. Wallis, 2014-07-24 Sprinkled with humor the vignettes of The Lost and Found Collection will open minds and hearts to remarkable possibilities for conquering life's simple stressors or major struggles Witness the proof that it's never too late to be who you might have been Just don't try to go it alone Learn how support may come from the kindness of a stranger or helpful coincidences that just might be God acting anonymously The Lost and Found Collection will clarify the difference between happiness and joy as well as disclose the mystery of paradoxical joy from adversity Aspects of the often surprising essays in The Lost and Found Collection are easily identifiable but the metamorphosis from agnostic to believer will be a personalized individual experience Along the way discover The Treasure of Hope that comes from only one source Each candidly poignant vignette from The Lost and Found Collection reaches a memorably uplifting finale that will leave significant messages to ponder Highly recommended The Editorial Board of The Columbia Review The Lost and Found Collection The Treasure of Hope by C B Wallis is an inspiring non-fiction work with a strong literary tone and a high spiritual message Part memoir part inspirational advice the book combines deep human insights rich Christian wisdom and an authentic voice that shares personal experiences in stories and contemplative memories poetic and scriptural nuggets and faith-based witnessing Much of the book is told in the first person recounting the author's experiences that carry relevant messages of overcoming challenges recovering from calamities and sustaining hopes for the future In an eerily appropriate scene the author recounts the beginning of her spiritual journey as she picked up a new Bible on New Year's Day and opened it to see the words Let there be light Genesis 1:3 Indeed this book sheds light not only on the author's eventful life's journey but also on life itself and the ways in which the modern world challenges one's sensibilities and sensitivities Perhaps the most valuable thread in The Lost and Found Collection The Treasure of Hope is its message of optimism in the face of hardship The author's personal journey mirrors that of the scriptures' advice she appropriately quotes when troubles come your way consider it an opportunity for great joy For when your faith is tested

your endurance has a chance to grow James 1 2 4 Drawing on her own life s trials and tribulations as well as joys and gifts the author discusses a wide spectrum of subjects of great relevance to all fears and worries love and care generosity and dignity mental health and physical illness adoption and family friendship and enmity life and death and even war and peace as they apply to survivors and veterans In summary The Lost and Found Collection The Treasure of Hope by C B Wallis is an uplifting spiritual memoir sprinkled with gems of wisdom and faith Readers will enjoy this book and benefit from it on several levels It is a fascinating journey of personal growth and empowerment a series of well told memorable stories intriguing insights into life s most trying moments and invaluable guidance when confronted with an unexpected crisis Highly recommended

Lost and Found Ed Stetzer,Richie Stanley,Jason Hayes,2009-02-01 Who are the young unchurched and how can they be reached with the good news of Jesus Christ In a poll result highlighted by CNN Headline News and USA Today nearly half of nonchurchgoers between the ages of twenty and twenty nine agreed with the statement Christians get on my nerves Now researchers behind the larger study present Lost and Found a blend of dynamic hard data and modern day parable that tells the real story of an unchurched generation that is actually quite spiritual and yet circumspect open to Jesus but not the church As such Lost and Found is written to the church using often surprising results from the copious research here to strike another nerve and break some long established assumptions about how to effectively engage the lost Leading missiologist Ed Stetzer and his associates first offer a detailed investigation of the four younger unchurched types With a better understanding of their unique experiences they next clarify the importance each type places on community depth of content social responsibility and making cross generational connections in relation to spiritual matters Most valuably Lost and Found finds the churches that have learned to reach unchurched young adults by paying close attention to those key markers vetted by the research Their exciting stories will make it clear how your church can bring searching souls from this culture to authentic faith in Christ Those who are lost can indeed be found Come take a closer look

In Search of the Lost Chord Gavin D,2020-10-27 In this book I will take you on a very emotional and sometimes dark journey I will share what my life was like before I drank and used drugs What I became like when I was using and more importantly the road to my recovery For many years I failed to stay sober until one day I woke up and didn t want to be alive anymore I was spiritually lost and broken I was a very lonely man when I took my last alcoholic beverage Although I had much to live for I welcomed an end to the pain and suffering I was causing myself and family The people in Alcoholics Anonymous were patient and tolerant They loved me when I had no love to give and held me as I picked up the pieces of my life On my search I found a higher power a spiritual home and just as important I found freedom from self I enjoy sobriety today because I keep my recovery simple I refrain from taking the first drink of alcohol simple yet very effective It is a wonderful gift to help others recover from this insidious dis ease called alcoholism
