

CERAMIC TILE LAYOUT PATTERN GUIDE

The ceramic tile family—which includes porcelain tile, quarry tile, wall tile, pressed floor tile, and mosaic tile—has the unique ability to create installation patterns with different shapes, colors, and combinations of tile arrangements. Squares and rectangles give you the most versatility and modularity for the traditional patterns we've listed below, but there are a growing number of tile shapes (see page 2).

Use this guide with your tile professional as a starting point to create a one-of-a-kind ceramic tile design.
