

Kensington Valley Hockey Association
Pee Wee AA Hockey Club

THANK YOU for trying out for the Kensington Valley Pee Wee AA 2007-2008 Fall Travel Hockey Team!

Unfortunately, we are faced with the tough decision of picking only a handful of players. The coaching staff has made every effort to make the tryouts a fair and enjoyable experience for every child and parent. We understand that not making a team is a disappointing time in our lives. It is also a time to hold your head high and to be proud of your accomplishments. Every child worked very hard and displayed great admiration for this outstanding sport!

Though you have not been selected for this Fall team, we encourage you to try again in the Spring. We want to remain friends and would like to see how your upcoming season progresses. If you see one of the coaches, other players or parents, let them know how you are doing. We honestly do care for all of these fine kids!

Please continue to practice and play to the best of your abilities. Work on the things that will make you a better hockey player. The coaches had some difficult decisions this tryout and it is your job to put them to the test in the Spring!

We appreciate all of the parents who have helped us out and have become our friends, thank you very much!

Best of Luck,

Tom Miller
Head Coach

Overcoming Obstacles and Finding Success Kevin R. Harris, Emily Pica, 2024-12-18 This valuable book identifies common obstacles in any endeavor that can

impact on success and offers highly accessible exercises to help readers overcome them. Featuring expertise from dozens of high-level performers regarding their journey to the top of their domain, it offers practical advice on how to separate yourself from your competition and stand out from the crowd. All performers, whether beginners or world-class in sports, business, the arts, and beyond, have encountered obstacles in their careers. Acknowledging that every successful person must work hard, this book offers a blueprint for those wanting to map out their own success based on over twenty years of research into performance and the author's experiences of guiding career development among their mentees and teaching courses on the topic. Each chapter includes a case study that exemplifies one of the most common obstacles individuals face in their efforts to be successful, including topics like impostor syndrome, artificial ceilings, facing rejection, and not allowing for rest or recovery. Following this, the chapter goes on to provide a series of engaging exercises for readers to reflect on their own performance and techniques, and enables them to strategize ways they can modify their performance to achieve better results. Throughout the book is underpinned by theoretical frameworks from performance psychology, clear actionable steps for achieving success, and suggested readings for further study. Written with career development in mind, the applications of this book are far-reaching with relevance for all those looking to excel in their chosen fields. **Mastermind Your Life** Bill
