

How to Effectively Write a Reaction Paper!

Initial Tips

- Keep the first-hand knowledge of the article on which you are making your response or reaction paper.
- Contemplate the article, and make a note of the areas of the article that amused you towards writing.
- Highlight the main ideas and statements that you want to discuss.
- Demonstrate your point of view and support it with extra information where you feel it prudent.
- Evidence your article with enough examples.
- Find enough resources to prove your article's authenticity and argumentative.

Key to an Excellent Reaction Paper

While writing the response paper ensure the content addresses the original work. Moreover, do not just focus on answering or responding to the context but provide evidence-based opinions and conclusions with a strong baseline of facts and ideas.

Insights of Reaction Paper

- Show how the text author develops the theme.
- Give specific examples, cite the theme and show the reader how the theme is presented in different parts of the work.
- Give your reaction, and state your personal reaction to the content.
- Your response could include why you feel the work of the author is bad or good. Moreover, it could be a good or bad choice for you to read and analyze.
- Whether you enjoyed reading followed by an explanation of why and what you find surprising about the reading.
- What delighted or angered you among other responses?

How Should I Live My Life? George S. Howard, 2002-06-25 A truly cross-disciplinary study of psychology, theology, economics, and environmental science, *How Should I Live My Life?* presents an overview of human beliefs and institutions that have led to the emerging global ecological threats. By viewing societal institutions and the psychology that spawns them, George S. Howard gets to the root causes of global ecological crises and provides an effective roadmap for changing the disastrous course that humans face. With detailed descriptions of economic and psychological methods that lead to the choices that society has made, Howard puts forth his vision for society's path in a well-rounded argument for changing the course of economic and environmental policies practiced by the governments of the world today.
