Read the excerpt from "Equality and Partnership," a speech delivered at Beijing, China September 4, 1995.

1 There is a moral crisis engulfing the world as we speak, a
2 crisis of dignity and justice, a crisis of abuse and
3 oppression. The crisis is caused by centuries and
4 generations of oppression and injustice. No cultures,
5 religions, nationalities, politics and ideologies. We are
6 dealing with a fundamental moral issue. This is a truly
7 historic occasion. Some 40,000 women have assembled
8 here to demand their rights, to assure a better future for
9 their daughters, to put an end to the injustices which still
10 deny so many of us our rightful place in society. On this
11 historic occasion I stand before you not only as a First
12 Lady but as a woman and a mother. As a woman proud
13 of her cultural and religious heritage, as a woman committed
14 to the struggle to justice and full participation that all stand
15 before women in almost every society on earth. As the first
16 woman ever elected to head a national nation, I feel a
17 special responsibility towards women's issues and towards
18 all women. And as a mother woman, I feel a special
19 responsibility to ensure the progress of a beautiful
20 new future given women a second chance state. This is not
21 true. Today the world would benefit from women.

22 Women are not only the backbone of our societies, but also the
23 heart of our families. Women are the ones who help
24 to create a better world for our children. Women are the
25 ones who help to create a better world for our children.

26 Women are the ones who help to create a better world for our children.

27 Women are the ones who help to create a better world for our children.

28 Women are the ones who help to create a better world for our children.

29 Women are the ones who help to create a better world for our children.

30 Women are the ones who help to create a better world for our children.

31 Women are the ones who help to create a better world for our children.

32 Women are the ones who help to create a better world for our children.
