REA's Physics Super Review gives you everything you need to know. This Super Review can be used as a supplement to your high school or college textbook or as a handy guide for anyone who needs a fast review of the subject. Comprehensive yet concise coverage review covers the material that is typically taught in a beginning level physics course. Each topic is presented in a clear and easy to understand format that makes learning easier. Questions and answers for each topic let you practice what you've learned and build your physics skills. End of chapter quizzes gauge your understanding of the important information you need to know so you'll be ready for any physics problem you encounter on your next quiz or test. Whether you need a quick refresher on the subject or are prepping for your next test, we think you'll agree that REA's Super Review provides all you need to know.
