

**OBJECTIVES**

- 1. Understand the structure of the health plan as a business, including its ownership and its various health insurance plans, and the various ERAs associated with all of these plans and the various ERAs associated with the various health plans.

**Business Objectives**

Business Objectives (including those of health plan participants):

Regulatory differences between the various entities of the health coverage ("the business") (owners, insurers, and medical providers) are associated with the various entities for particular health services to members and include the structure of ERAs (including the "ER of the owner") (providers, insurers, the ER of the owner).

Health plan participants have plans and policies that are not subject to regulation of the ERAs (and that structure ERAs) for each business.
