## Lost In Dream:

*America's Lost Dream* Tom Dooley,2005-09-01 Throughout this nation s history many of its greatest leaders believed that America s future was inextricably linked to America s faith in God This mighty nation now known as The United States of America was born from the dream of people who envisioned a sovereign state where people could be free and only God would be their king This dream of One Nation Under God would mean freedom from the rule of human monarchs and tyrants but would also extol a large price for these original founders of this great country Nothing short of a miracle the dream prevailed and this new nation came to be But slowly a long season of spiritual apathy crept over the land like a fog The dream was forgotten and the nation s relationship with benevolent God extinguished This intriguing and artful book will re awaken the original dream within the hearts of young and old alike Filled cover to cover with exquisite artwork depicting the original scenes along with in depth historical facts woven throughout this book will enlighten and educate all to the wonderful and rich history of this One Nation Under God Discover the real story *The City of the Lost Dream* , **The Lost Dream of**
