Love In Exile:

Love in Exile Shon Faye, 2025-05-13 A Sunday Times London bestseller Named a Most Anticipated Book of 2025 by Vogue and ELLE UK Uncommonly wise and honest Love in Exile flooded me with a sense of continuity and hope A masterpiece from start to finish Maggie Nelson author of Like Love Should be required reading for anyone who wants to join a dating app love ethically or experience true partnership with other humans Melissa Febos author of Girlhood and The Dry Season A disarmingly wry treatise cum memoir on love in a lonely age by a celebrated thinker and columnist for Vogue Love is supposedly attainable for us all But for most people especially women success with love the yardstick we use to measure our value across romance parenthood sex religion and friendship can feel out of reach an experience frequently ascribed to a personal failing This sense of unworthiness is according to Shon Faye a form of exile an intentional punitive banishment that serves political ends Faye a trans woman in her thirties has felt isolated from love for as long as she can remember So after the devastation of her first heartbreak she figured it was time to find out why The subsequent investigation Love in Exile boldly reframes love s elusiveness as a collective question Conversationally frank and intellectually ambitious these eight voice driven essays unpack the norms governing love in our time with the insight of a shrewd outsider Here Faye examines her breakups with cis men alongside lessons from Lana Del Rey and Alain de Botton explores the lovelessness that fueled her time as an addict tackles the relationship between feminine self worth and motherhood and finally attempts to discover genuine self acceptance The result is a dive into universal deeply felt questions about love reframed through a radical revolutionary perspective Written with the humor and rigor that made Faye an internationally bestselling writer Love in Exile is a thrilling reckoning with love in our time

Love and Exile

Isaac Bashevis Singer, 1986-05 Love and Exile contains the three volumes of the Nobel Prize Winner s spiritual autobiography covering his childhood in a rabbinical household in Poland his young manhood in Warsaw and his beginning as a writer and his emigration to New York before the outbreak of war with the concomitant displacement of a Yiddish writer in a strange land

Popular Iranian Cinema before the Revolution

Pedram Partovi, 2017-07-14 Critics and academics have generally dismissed the commercial productions of the late Pahlavi era best known for their songs and melodramatic plots as shallow derivative entertainment Instead they have concentrated on the more recent internationally acclaimed art films claiming that these constitute Iranian national cinema despite few Iranians having seen them Film discourse and even fan talk have long attempted to marginalize the mainstream releases of the 1960s and 1970s with the moniker filmfarsi ironically asserting that such popular favorites were culturally inauthentic This book challenges the idea that filmfarsi is detached from the past and present of Iranians Far from being escapist Hollywood fare merely translated into Persian it claims that the better films of this supposed genre must be taken as both a subject of and source for modern Iranian history It argues that they have an appeal that relies on their ability to rearticulate traditional courtly and religious ideas and forms to problematize in unexpectedly complex and sophisticated ways the

modernist agenda that secular nationalist elites wished to impose on their viewers Taken seriously these films raise questions about standard treatments of Iran s modern history By writing popular films into Iranian history this book advocates both a fresh approach to the study of Iranian cinema as well as a rethinking of the modernity tradition binary that has organized the historiography of the recent past It will appeal to those interested in Iranian cinema Iranian history and culture and more broadly readers dissatisfied with a dichotomous approach to modernity
