Lucy Talk English Edition:

The Role of English Teaching in Modern Japan Mieko Yamada, 2014-09-25 The Role of English Teaching in Modern Japan examines the complex nature of Japan's promotion of English as a Foreign Language (EFL) in globalized societies where people with different native languages communicate through English. Multicultural and multilingual interactions are widely created. This book takes the opportunity to look at Japan and examines how these multiple realities have affected its English language teaching within the domestic context. The myth of Japan's racial and ethnic homogeneity may hinder many Japanese in recognizing realities of its own minority groups such as Ainu, Zainichi Koreans, and Brazilian Japanese who are in the same EFL classrooms. Acknowledging a variety of English uses and users in Japan, this book emphasizes the influence of Japan's recent domestic diversity on its EFL curriculum and urges that such changes should be addressed. It suggests new directions for incorporating multicultural perspectives in order to develop English language education in Japan and other Asian contexts where English is often taught as a foreign language. Chapters include: Social, cultural, and political background of Japan's EFL education; Race, ethnicity, and multiculturalism; Representations of diversity in Japanese EFL textbooks; Perceptions of English learning and diversity in Japan; The role of EFL education in multicultural Japan. **Talking Revolution** Franca Dellarosa, 2014-10-31 This study sheds light on a major and until now little studied Liverpool writer, Edward Rushton (1782-1814), whose politics and poetics were imbued in the most pressing events and debates shaking the world during the Age of Revolution. **Standard English** Barry Spurr, Lloyd Cameron, 2000 **Blind Submission** Debra Ginsberg, 2007-09-25 Books can be a dangerous business. When Blue Moon Books, the Bay Area bookstore where Angel Robinson has worked since college, is squeezed out of business, Angel is forced to find a new job. She lucks into a position as the assistant to the world-renowned literary agent Lucy Fiamma. Angel soon learns that working for Lucy is no picnic. The agent has a blockbuster ego to match her blockbuster success, and Angel must juggle both her boss's prima donna demands and the strange quirks of her authors. But Angel soon becomes indispensable to the agency and develops a keen understanding of big projects and the writers who create them. What she doesn't realize is just how far one of them will go to get published. One day a chapter from a mysterious manuscript by an anonymous author arrives at the office. Set in a New York literary agency, the novel titled *Blind Submission* centers on the ambitious assistant to a successful literary agent. Angel is pulled in by the plot, but her initial curiosity soon turns to panic. As the story unfolds with chapters e-mailed in one by one, it becomes clear that the mystery author is writing the story of Angel's own life, including secrets she thought were deeply hidden. Someone is watching her, even plotting against her. Could it be her backstabbing coworker, her jealous boyfriend, or her seductive new client? When the novel's plot turns to murder, Angel knows that if she doesn't discover the author's identity before the final chapter is written, more than just her career will be cut short.
