Anarchist Ideology and the Working-Class Movement in Spain, 1868-1898 George R. Esenwein, 2023-11-15 This book delves into the rich history of Spanish anarchism tracing its development from its early roots in the late 19th century through the Spanish Civil War Often viewed through a lens of revolution violence and rural rebellion Spanish anarchism has long captivated historians and students of European history While much focus has been placed on the period from 1936 1939 this work turns its attention to the often overlooked earlier stages particularly the late 19th century By examining this complex movement the book challenges long standing interpretations that frame Spanish anarchism as merely a millenarian or pre political ideology offering instead a nuanced understanding of its evolution and ideological framework Drawing on both historical and ideological perspectives this study breaks new ground by questioning the prevailing millenarian thesis and providing a closer look at the intellectual and political dimensions of the movement From the influence of figures like Bakunin and the rise of syndicalism to the profound shifts in strategy and tactics within the anarchist movement the book explores how anarchism carved out a unique space in Spain s political landscape This comprehensive approach highlights the diversity of anarchism s adherents from landless laborers to middle class intellectuals and its lasting impact on Spain s political history This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 Prairie Farmer ,1885 Druggists' Circular ,1923 **Scientific American** ,1877 Iron ,1880 **New York Magazine** ,1980-09-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Athenaeum and Literary Chronicle** ,1842 The Illustrated London News ,1865
