

Keeping an activity diary

Before we can send that gloomy cloud on its way, we need to find out how you are currently spending your time. We can use an "Activity Diary" to help with this.

| Day | What I did | How I felt |
|----------|--|--|
| Friday | I finished my history project this morning, then went to my friend's house after school. | It felt good to finish something. Playing with my friend was fun. 6/10 |
| Saturday | I felt too poorly to go to netball practice. I spent the day at home in my pyjamas. I watched lots of films. | I felt worried that I've missed netball again. It was nice be able to stay at home but also quite lonely. 3/10 |

How adults can help you

1

Adults can sit and listen to what you did and how it made you feel without interrupting. They can then help you write it down.

Master Guide Activity Diary

Matthew Bennett, Emma Goodall

Master Guide Activity Diary:

A Cancer Patient's Guide to Overcoming Depression and Anxiety Derek Hopko, Carl Lejuez, 2008-01-02 This workbook offers readers with cancer a targeted and customizable program they can use to manage the depression anxiety and fear that often accompanies diagnosis and treatment Based on behavior activation therapy the techniques in this book work to help readers reconnect to pleasurable and rewarding activities as the basis for coping with negative emotions

Contextual Management Erdener Kaynak, Raghbir S Basi, 2013-02-01 Senior executives middle managers supervisors administrators and other students of administrative behavior need to know why harnessing human energies demands a full understanding of organizational and cultural contexts combined with a knowledge of personality characteristics of self and others In response to this need Contextual Management A Global Perspective addresses the art of getting things done in today s organizational world It offers managers guidelines for working under a varied set of circumstances and explores ways to increase administrative effectiveness in organizations worldwide Contextual Management integrates different administrative levels and various organizational cultures with appropriate management styles and personal attributes to help you recognize the position context where you can be most effective Using its self assessment questions you can gauge your strengths weaknesses and requisites for particular administrative position roles and contexts You can also use tools from the book s appendix to help you assess personality attributes as well as the characteristics of a particular position context You will put your individual experiences into perspective and enhance your understanding of organizational realities as you read about individual managerial behavioral relationships organizational designs job configurations and CEO orientations recruiting placing motivating and supporting your staff identifying a particular unit s work culture and recognizing its characteristics why a supervisor must be personable to be able to carry out instructions from superiors while gaining allegiance from subordinates assuring good fits of administrative personnel in various organizational systems goals the logical stepping stones for initiating the process of implementation the constraints particular work systems place on the relationships between managers and others within an organization Appropriate styles of performance as Contextual Management illustrates are contextual not universal The fact that you are effective in one environment doesn t mean you will be effective in another With this book though you can change your thinking about functions of leadership decision making communication planning and implementation and realize congruence in whichever environmental niche your organization moves into next

Employment of Persons with Autism Matthew Bennett, Emma Goodall, 2021-09-03 This scoping review furnishes the reader with a contemporary overview of research about employment conditions related to persons on the autism spectrum In this book six guiding questions are used to address various aspects of employment for persons on the autism spectrum including job opportunities removing barriers to employment becoming successful at work and management issues for employers working with people on the autism spectrum The contents of this scoping review can appeal to many

different readers Persons on the autism spectrum can learn about proven strategies that they can use to maximise their success in the workplace Employers tertiary students and lay people can learn methods that they can use to help employees on the autism spectrum obtain and maintain employment Finally researchers can learn about the current limitations of our knowledge about the autism spectrum and employment
