Financial Management Timothy J. Gallagher, 2022-03-13 Those who advocate the traditional maximize shareholder value goal of the firm will find that position clearly presented in the 9th edition in addition to critical arguments for and against it Those who advocate a multiple stakeholder approach will see that view fairly presented as well in addition to the criticisms of this approach The financial effect of the world wide COVID

pandemic is examined in this 9th edition Both shareholder capitalism and stakeholder capitalism are critically evaluated Should a company s impact on climate change be considered when corporate decisions are made If so is this a matter of self interest a desire to also consider the interests of stakeholders who are not shareholders of the firm or both The 9th edition addresses these questions There are special forms of business organization that have an explicit social welfare purpose We covered the state chartered benefit corporation and B Lab certified corporation in 8e In 9e the low profit limited liability company L3C has been added Business schools everywhere are emphasizing in their marketing communications their contributions to society Perhaps your business school has communicated about sustainable business practices and the triple bottom line of profit people and planet Finance is a discipline that has not been a significant part of these conversations It is our view that finance needs to take part but in a way that is true to our discipline Ignoring these issues as most books in this market do is not the answer
