

WEEKLY JOURNAL EXAMPLE

Week 3 January 24 - January 27, 2011

Carol Bridges
Evergreen Social Services
Ada, Oklahoma

January 24, 2011

This morning I spent some time preparing for tomorrow's STEP classes. The morning seemed to be slow, so I read some Social Work journals and more in the policy manual. I talked to several of the workers to find out more about what they do. I found out that permanency planning involves a lot of different things. I met with my field instructor and we talked more about what I would be doing in my internship this week. I will be shadowing different workers this week to just get a feel for the work in this agency that serves a lot of different types of clients.

Hours: 8 hours

January 25, 2011

This morning I sat in on a parenting class. I also watched a video about working in the agency and read some clients' files. Some of the information I read really disturbed me, but I know that bad things happen to people. My field instructor talked to me about my emotions and that helped me a lot.

Hours: 8 hours

January 26, 2011

I attended the meeting of the Community Services Council as a guest of my field instructor. The Council members discussed some possible changes in the way that the Council functions, and I volunteered to be on one of the committees (I can't believe I did that!). I shadowed a worker making a home visit to follow-up on some plans that were made last week. I read the case and some agency policy before I went on the visit. I was just an observer, so I did not say anything, but the worker and I discussed the visit in the car on the way back to the office. I have learned a lot today.

I had to leave at 4:00 today because of illness - it was nothing serious.
