With Illustrations and Maps* Ferdinand SCHEVILL,1937 **Compendium of History and Biography of the City of Detroit and Wayne County, Michigan** Clarence Monroe Burton,1908 All history is perforce a merciless abridgment and yet too much can never be written concerning any nation any people since each contribution must have a definite value In the offering of this compendium of history and biography the publishers lay claim not to any amplification of data in the annals of Detroit and Wayne county but rather to the condensed narrative presentation of the history of a section whose records bear the graceful tales of romance and the sterner burdens of definite accomplishment

History of Florence, from the Founding of the City Through the Renaissance ,1963 **The American Comprehensive Encyclopedia of Useful Knowledge Arts, Sciences, History, Biography, Geography, Statistics, and General Knowledge** William Harrison De Puy,1896 **Dictionary of World Biography** Frank Northen Magill,Alison Aves,1998 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography
