Emma LaRocque,2011-03-10 In this long awaited book from one of the most recognized and respected scholars in Native  
Studies today Emma LaRocque presents a powerful interdisciplinary study of the Native literary response to racist writing in  
the Canadian historical and literary record from 1850 to 1990 In *When the Other is Me* LaRocque brings a metacritical  
approach to Native writing situating it as resistance literature within and outside the postcolonial intellectual context She  
outlines the overwhelming evidence of dehumanization in Canadian historical and literary writing its effects on both popular  
culture and Canadian intellectual development and Native and non Native intellectual responses to it in light of the  
interlayered mix of romanticism exaggeration of Native difference and the continuing problem of internalization that  
challenges our understanding of the colonizer colonized relationship      **Beothuk** Christopher Patrick Aylward,2024-09-15  
The well known story of the Beothuk is that they were an isolated people who through conflict with Newfoundland settlers  
and Mi kmaq were made extinct in 1829 Narratives about the disappearance of the Beothuk and the reasons for their  
supposed extinction soon became entrenched in historical accounts and the popular imagination *Beothuk* explores how the  
history of a people has been misrepresented by the stories of outsiders writing to serve their own interests from Viking sagas  
to the accounts of European explorers to the work of early twentieth century anthropologists Drawing on narrative theory  
and the philosophy of history Christopher Aylward lays bare the limitations of the accepted Beothuk story which perpetuated  
but could never prove the notion of Beothuk extinction Only with the integration of Indigenous perspectives beginning in the  
1920s was this accepted story seriously questioned With the accumulation of new sources and methods archaeological  
evidence previously unexplored British and French accounts Mi kmaq oral history and the testimonies of Labrador Innu and  
Beothuk descendants a new historical reality has emerged Rigorous and compelling *Beothuk* demonstrates the enduring  
power of stories to shape our understanding of the past and the impossibility of writing Indigenous history without  
Indigenous storytellers      **Canadian Poultry News** ,1910      **Who's who in Finance, Banking and Insurance** John
