Scientific Mythologies James A. Herrick,2008-01-01 What does science have to do with science fiction What does science fiction have to do with scientists What does religion have to do with science and science fiction In the spiritual vacuum of our post Christian West new mythologies continually arise The sources of much religious speculation however may be surprising Author James Herrick directs our attention to a wide range of scientists filmmakers science fiction writers and religious philosophers and discovers there the role that science and science fiction have played in such mythmaking From scientists such as Francis Bacon Francis Crick Carl Sagan and Freeman Dyson to filmmakers such as George Lucas and Steven Spielberg to science fiction writers such as Olaf Stapledon Sir Arthur C Clarke Robert Heinlein and Isaac Asimov Herrick finds a curious collusion of science with science fiction for promoting and justifying alternative spiritualities The rise of these new mythologies he argues is no longer a curiosity at the edge of Western culture This alchemy is catalyzing a religious vision of new gods a new humanity and alien races with superior intelligence and secret knowledge This new mythology overshadows the realms of politics science and religion Should we follow such visions Does science endorse these mythologies Are we being offered a spirituality superior to the Judeo Christian tradition This book will help you decide

Metronome Matthew H. Birkhold,2025-11-13 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things When the metronome was invented in 1815 it transformed the music world Composers and musicians now had a tool that could help them maintain a precise and consistent tempo And while giants of classical music like Beethoven early embraced the metronome and proponents came to see its essential role in music instruction critics believed it created mindless players and inhibited the creation of great art The metronome evokes strong feelings because of its uncompromising power Through it we are connected to the past propelled into the future and kept focused on the present For that reason this object has appeared in unlikely settings as athletes scientists psychologists authors and other professionals have found uses for it beyond music Metronome uncovers the surprising and fraught history of a timeless object

Soviet Literature ,1985

Recharting the Thirties Patrick J.

Quinn,1996 The aim of Recharting the Thirties is to revitalize the awareness of the reading public with regard to eighteen writers whose books have been largely ignored by publishers and scholars since their major works first appeared in the thirties The selection is not based on a political agenda but encompasses a wide and divergent range of philosophies clearly the contrasts between Empson and Upward or between Powell and Slater indicated the wide ranging vision of the period Women writers of the period have largely been marginalized and the writings of Sackville West and Burdekin for example not only present distinct feminine voices of the period but also illuminate how much good literature has been forgotten
