hate and loathe the sorrows and joys A son of a great family of soldiers had once been carefree and unrestrained He had roamed the Qin and the Huai and had bathed in flowers and flowers In one night he had become destitute and had no one to return His experience and experience had given him a miserable fate The exquisite flute of the Floating Blood Sword and the blood moon made him feel embarrassed *The Castrato* Martha Feldman,2016-08-02 The Castrato is a nuanced exploration

of why innumerable boys were castrated for singing between the mid sixteenth and late nineteenth centuries It shows that the entire foundation of Western classical singing culminating in bel canto was birthed from an unlikely and historically unique set of desires public and private aesthetic economic and political In Italy castration for singing was understood through the lens of Catholic blood sacrifice as expressed in idioms of offering and renunciation and paradoxically in satire verbal abuse and even the symbolism of the castrato s comic cousin Pulcinella Sacrifice in turn was inseparable from the system of patriarchy involving teachers patrons colleagues and relatives whereby castrated males were produced not as nonmen as often thought nowadays but as idealized males Yet what captivated audiences and composers from Cavalli and Pergolesi to Handel Mozart and Rossini were the extraordinary capacities of castrato voices a phenomenon ultimately unsettled by Enlightenment morality Although the castrati failed to survive their musicality and vocality have persisted long past their literal demise The Modern Review Ramananda Chatterjee,1909 Includes section Reviews and notices of books
